Albany, April 21, 1835.

The Comptroller, in obedience to the resolution of the Assembly of the second of March, requesting him to furnish that House with a statement of all the sales of land for taxes, under and by virtue of the several acts for the assessment and collection of taxes, (not heretofore reported;) also, the sales of lands for arrears of quit rents, in eighteen hundred and twenty-six, as far forth as the same have been sold and not redeemed; the county and tract where situated, describing the lot and number of acres sold, the amount for which the same was sold, the name of the purchaser, and the name of the person to whom conveyed by the Comptroller, respectfully submits the following statement.

A. C. FLAGG.

NOTE.

Search ought to be made in the Index, under every title by which a tract is known, *although found in one or more places under the title first searched for:* because tracts are sometimes returned to the Comptroller by one of their titles and sometimes by another.
